Silfab Solar performance puts you on top.

With over 40 years of experience in solar, Silfab continues to be the leader in North American solar manufacturing. Incorporating premium materials, strict quality controls, leading-edge automation and world-class customer service, Silfab Prime solar panels are the perfect combination of quality, performance and aesthetics.

SILFAB PRIME

High-Efficiency Premium Mono-Perc PV Module designed and engineered exclusively for North American homeowners.

AMERICA'S CHOICE

Join thousands of homeowners who are choosing Silfab Solar for their solar needs every day!

SUPERIOR TECHNOLOGY. STRONGER PERFORMANCE. TOTAL RELIABILITY.

Silfab Prime panels are designed for homeowners seeking a premium, high-quality solar solution you can count on. Precision engineering combined with strict quality controls ensures quality panels you can trust. All of our locations feature fully automated production lines with ISO 9001:2015-accredited Quality Management Systems. Each module is equipped with 9-bus bar technology that maximizes energy collection and conversion, while a high-efficiency half-cell design improves performance and durability.

Manufactured and compliant with the Buy America Act, Silfab modules have been installed by the US State Department, US military and FAA.

SLEEK, ELEGANT AND DURABLE

A sleek all black aesthetic that will look elegant and compliment any roof. Exclusively designed for wide-ranging racking compatibility, durability and ease of installation.

LOCAL CUSTOMER SERVICE

Our North American team is available to provide customer service that is direct, efficient and local.

INDUSTRY-LEADING WARRANTY

An industry-leading 25-year workmanship and 30-year performance warranty backed by a company that has been perfecting solar products for over four decades.
